## ***CASH IN THE TRASH II: THE RESULTS***

*A Public Forum on Reducing Solid Waste and Increasing Recycling and Savings  
presented by the League of Women Voters of Newton*

### **Results from the Automated Trash and Single Stream Recycling Trials Pay as You Throw in Newton?**

Join the League of Women Voters of Newton for a follow-up forum **Cash in the Trash II: The Results**. Learn how the automated trash pick-up and single stream recycling trail has worked in Newton. Then learn about the Citizen Advisory Group's proposal to move the City beyond automated trash collection to a Pay As You Throw trash program.

Speakers for this event include:

- **Tom Daley, Newton's new Commissioner of the Department of Public Works.** He will describe results from Newton's pilot program for single-stream recycling and automated trash pick-up. He will also discuss future plans for the city's trash program.
- **Kevin Dutt from Newton's Citizen Advisory Group.** He will discuss the fiscal benefits associated with the CAG's proposal for a Pay as You Throw Trash program in Newton.
- **Brooke Lipsitt, former president of the Board of Aldermen, will moderate** a question and answer period.

Organized by the Environmental Issues Committee of the League of Women Voters of Newton, the forum is also sponsored by the Newton-Needham Chamber of Commerce, Green Decade/Newton, Newton 20/20, Newton TAB, Newton Free Library, Newton Solid Waste Commission and Newton For Fiscal Responsibility.
