

**A VIRTUAL EVENT PRESENTED BY  
THE LWV OF NEWTON**

## Representing the 4th

A conversation with...

**Barney Frank  
Joe Kennedy III  
& Jake Auchincloss**

**March 9, 2021**

**7 - 8:30pm via Zoom**

For almost 50 years, our Congressional representative from the MA 4th District has been a Newton resident. Join us to hear from the three most recent, whose collective time in Congress dates back to 1981. Learn about their experiences in Congress, how the district has changed, the challenges of representing such a diverse group of cities and towns, how being from Newton influences their representation in Congress, and more.

This conversation will be moderated by long-time journalist and Newton resident, Gail Spector. Questions for the three Representatives can be submitted in advance to the LWVN.
