

YES ON 4

FOR SAFER
ROADS 

A majority of Massachusetts City Police Chiefs, Sheriffs, and District Attorneys agree:

Voting Yes on Question 4 will allow all drivers in Massachusetts to be:

TESTED, LICENSED, INSURED

regardless of immigration status.

Allowing all drivers to be licensed means safer roads for everyone.

***This common sense law is endorsed by
law enforcement...***

“ Voting Yes on 4 is just common sense: all of us will be safer if all drivers on the road pass a driving test, have insurance and have a license. Everyone needs to get to work and get to school, so let's do everything we can to get people where they're going safely.”

VOTE NOVEMBER 8TH

Residents who provide proof of identity, date of birth, and Massachusetts residency — and pass all required tests — should be licensed.

SAFER ROADS FOR EVERYONE.
